Types Of Topologies

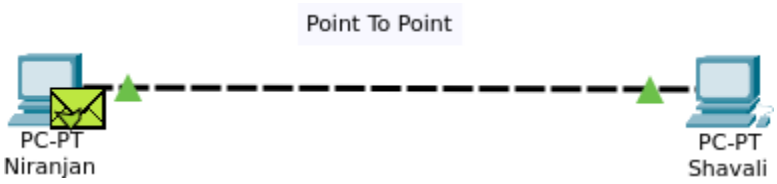

Prepared By : Niranjan Kumar K

Date : 12 Oct 2026

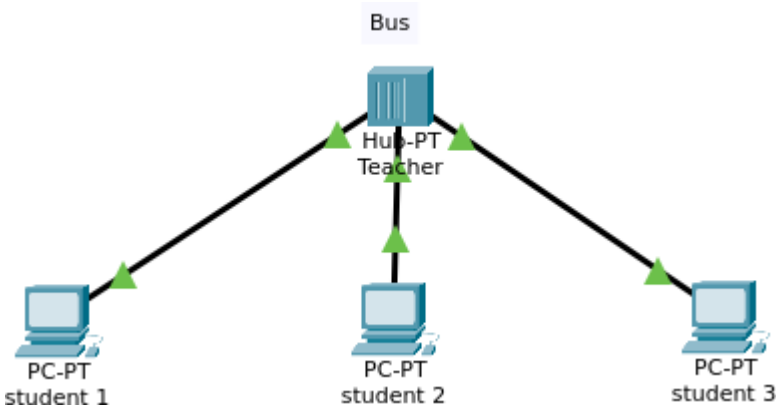

Summary :

In Cyber Security we have lot of networking topologies some are explored and learned in detail with practical knowledge by using CISCO Packet Tracer Tool .

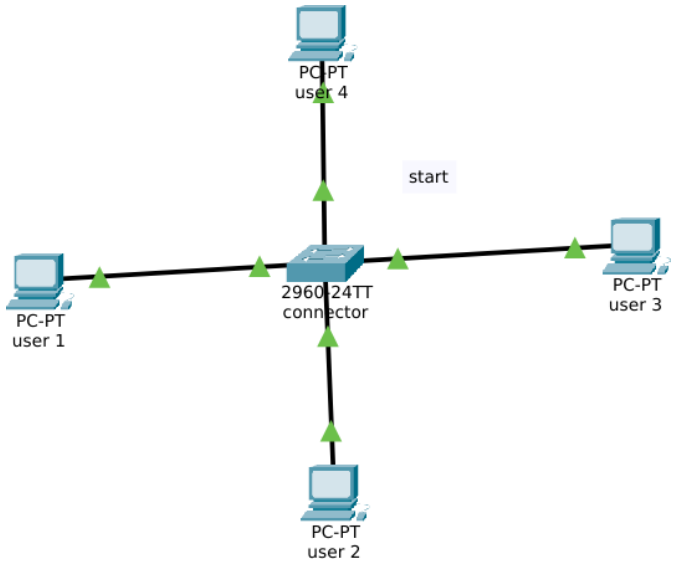

1. Point To Point Topology

2. Bus Topology

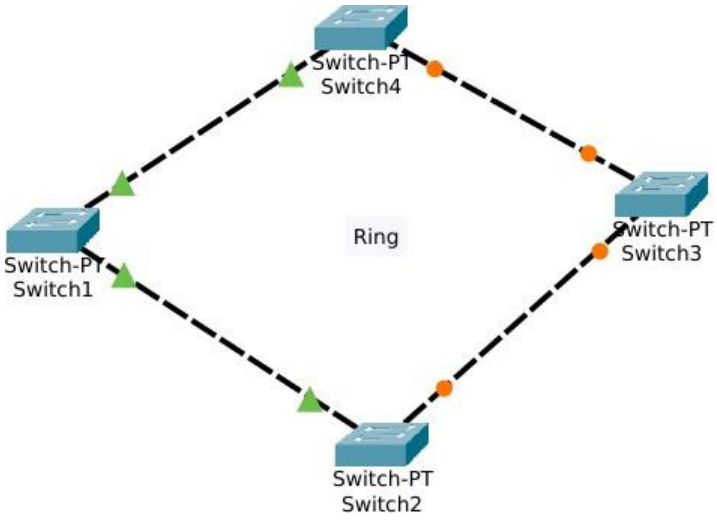

3. Star Topology

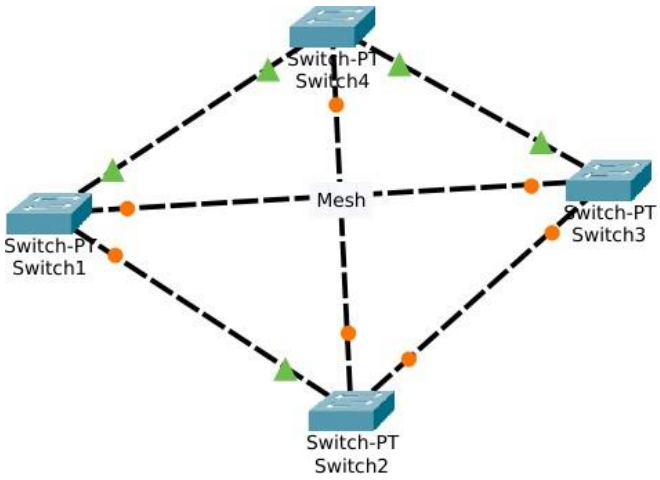

hacker@

4. Ring Topology

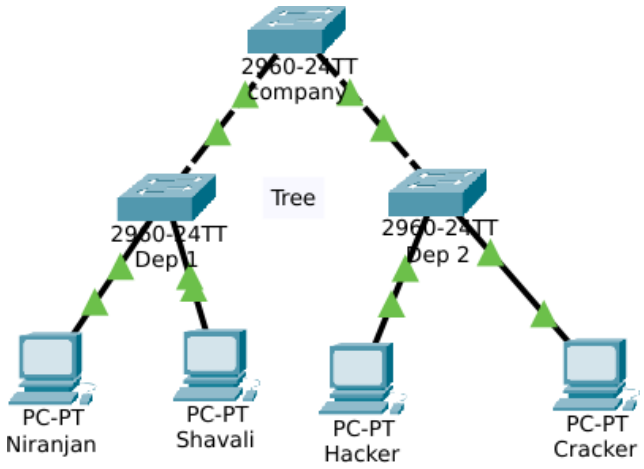

5. Mesh Topology

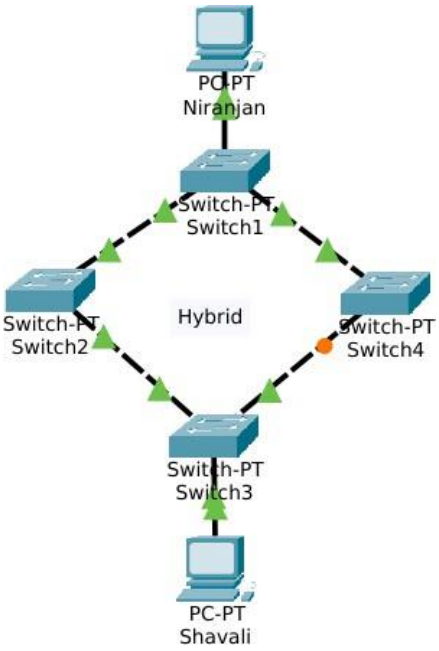

hacker@

6. Tree Topology

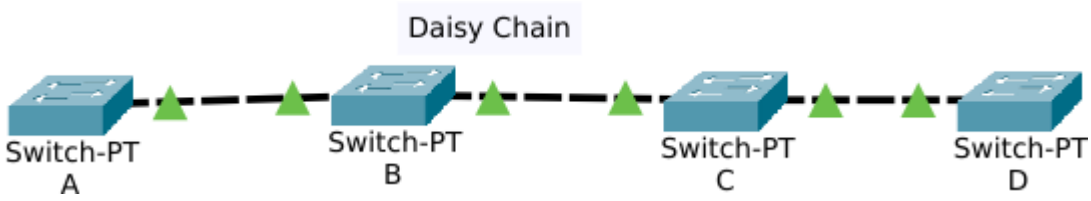

7. Hybrid Topology

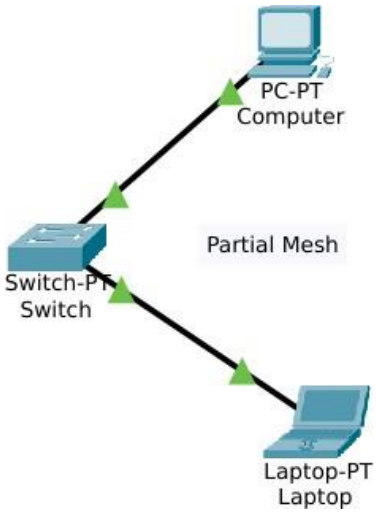

hacker@

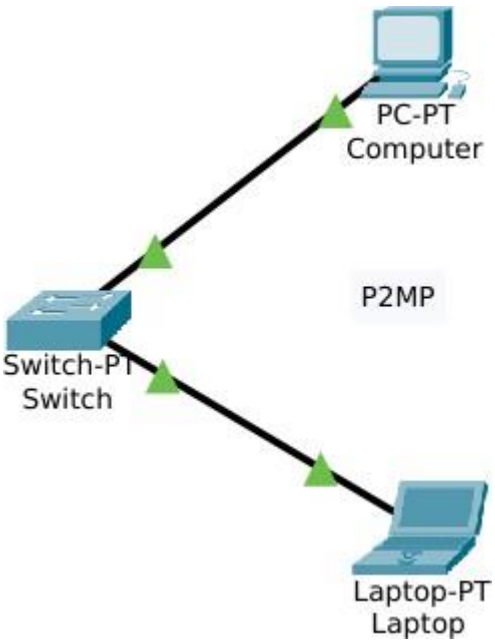

8. Daisy Chain Topology

9. Partial Mesh Topology

10. Point To Many Point Topology

Conclusion :

Successfully Learned what is Topology and types of Topologies in the Networking by using CISCO Packet Tracer Tool .
